What is the Friends of UMFPL Annual Campaign?

The Friends Annual Campaign funds library improvements or enhancements outside the scope of regular day-to-day operations in four areas:

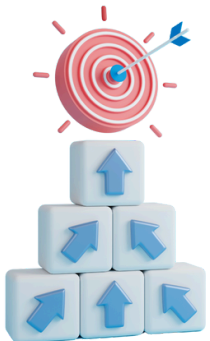

Technology, Furnishings, Special Programming, Strategic Goals and Objectives.

Our 2023 Accomplishments

- Fostering literacy: Through sponsorship of summer and winter reading challenges and the GOAL (Grade One At the Library) program, the Friends partnered with the library in developing a community of readers and improving literacy for the youngest readers and readers-to-be!
- Improvements to the library environment: Thanks to the Friends of UMFPL, the library was able to update outdated seating with new, accessible, furniture. Teen-friendly updates to the Teen Zone are coming soon!
- Support for our vision: Friends provided financial support to make progress on an outdoor educational space at the library.

Our upcoming goals

- Continued support for programming that builds literacies among all ages from birth to 99+
- Purchase furniture that facilitates individual learning, 1-on-1 instruction, and remote meetings.
- Sponsor the purchase of new technology for:
 - Improving library communication about services and events
 - Making checkout in the Children's Room possible

What do the Friends do?
